B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently Asked Questions	Answers
What's an integrated D-SNP?	An integrated dual eligible special needs plan (D-SNP) is where full-benefit dually eligible members will receive both their Medicare and STAR+PLUS services from a single health care organization. A fully integrated D-SNP plan will cover primary and acute care services, long-term services and supports (LTSS), 180 days of nursing facility coverage and the following Medicaid benefits: • Medicare cost sharing • Behavioral health services • Home health services • Medical equipment, supplies and appliances • Medicaid (STAR+PLUS) Value-Added Services To be eligible for a fully integrated D-SNP program, you must qualify for both Medicare and STAR+PLUS Medicaid and live in an area where a fully integrated D-SNP program is offered.
Will I get the same Medicare and STAR+PLUS benefits in Molina Medicare Complete Care Plus that I get now?	You'll get most of your covered Medicare and STAR+PLUS benefits directly from Molina Medicare Complete Care Plus. You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and Service Coordinator's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from The Department of State Health Services or Community Based Organizations. When you enroll in Molina Medicare Complete Care Plus, you and your Service Coordinator will work together to develop a Service Plan to address your health and support needs, reflecting your personal preferences and goals. If you're taking any Medicare Part D drugs that Molina Medicare Complete Care Plus doesn't normally cover, you can get a temporary supply and we'll help you to transition to another drug or get an exception for Molina Medicare Complete Care Plus to cover your drug if medically necessary. For more information, call Member Services at the numbers listed at the bottom of this page.

Frequently asked questions (FAQ) (Continued)

Frequently Asked Questions	Answers
Can I use the same doctors I use now?	This is often the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with Molina Medicare Complete Care Plus and have a contract with us, you can keep going to them. Providers with an agreement with us are "in-network." Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. **You must use the providers in Molina Medicare Complete Care Plus's network.** If you use providers or pharmacies that aren't in our network, the plan may not pay for these services or drugs. If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of Molina Medicare Complete Care Plus's plan. • If you are past the 24th week of pregnancy, you can remain under the care of your current OB/GYN through your postpartum checkup within the first six (6) weeks of delivery. • Plan allows enrollees who at the time of enrollment have been diagnosed with and receiving treatment for a terminal illness to remain under the care of their current provider for covered services for up to nine months or until the Service Plan is updated. • Plan allows enrollees receiving LTSS at the time of enrollment to remain under the care of their current provider for covered services for up to six months or until the Service Plan is updated. To find out if your providers are in the plan's network, call Member Services at the numbers listed at the bottom of this page or read Molina Medicare Complete Care Plus's *Provider and Pharmacy Directory* on the plan's website at MolinaHealthcare.com. If your provider is not in the Molina Medicare Complete Care Plus's network, they can visit our website for information on how to join the network. If Molina Medicare Complete Care Plus is new for you, we'll work with you to develop a Service Plan to address your needs.
What's a Molina Medicare Complete Care Plus Service Coordinator?	A Molina Medicare Complete Care Plus Service Coordinator is one main person for you to contact. This person helps to manage all your providers and services and make sure you get what you need.

Frequently asked questions (FAQ) (Continued)

Frequently Asked Questions	Answers
What are Long-term Services and Supports (LTSS)?	Long-term Services and Supports are help for people who need assistance to do everyday tasks like bathing, toileting, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. In some cases, a county or other agency may administer these services, and your Service Coordinator or care team will work with that agency.
What happens if I need a service but no one in Molina Medicare Complete Care Plus's network can provide it?	Most services will be provided by our network providers. If you need a service that can't be provided within our network, Molina Medicare Complete Care Plus will pay for the cost of an out-of-network provider.
Where's Molina Medicare Complete Care Plus available?	The service area for this plan includes: Bexar, Texas. You must live in this area to join the plan.
What's prior authorization?	Prior authorization means an approval from Molina Medicare Complete Care Plus to seek services outside of our network or to get services not routinely covered by our network **before** you get the services. Molina Medicare Complete Care Plus may not cover the service, procedure, item, or drug if you don't get prior authorization. **If you need urgent or emergency care or out-of-area dialysis services, you don't need to get prior authorization first**. Molina Medicare Complete Care Plus can provide you or your provider with a list of services or procedures that require you to get prior authorization from Molina Medicare Complete Care Plus before the service is provided. Refer to **Chapter 3**, of the *Member Handbook* to learn more about prior authorization. Refer to the Benefits Chart in **Chapter 4** of the *Member Handbook* to learn which services require a prior authorization. If you have questions about whether prior authorization is required for specific services, procedures, items, or drugs, call Member Services at the numbers listed at the bottom of this page for help.
Do I pay a monthly amount (also called a premium) under Molina Medicare Complete Care Plus?	No. Because you have STAR+PLUS you won't pay any monthly premiums, including your Medicare Part B premium, for your health coverage.
Do I pay a deductible as a member of Molina Medicare Complete Care Plus?	No. You don't pay deductibles in Molina Medicare Complete Care Plus.
