B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently Asked Questions	Answers
What's a Medi-Medi Plan?	A Medi-Medi Plan is a health plan that contracts with both Medicare and Medi-Cal to provide benefits of both programs to enrollees. It's for people age 21 and older. A Medi-Medi Plan is an organization made up of doctors, hospitals, pharmacies, providers of Long-term Services and Supports (LTSS), and other providers. It also has care coordinators to help you manage all your providers and services and supports. They all work together to provide the care you need.
Will I get the same Medicare and Medi-Cal benefits in Molina Medicare Complete Care Plus that I get now?	<p>You'll get most of your covered Medicare and Medi-Cal benefits directly from Molina Medicare Complete Care Plus. You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a State or county agency like In-Home Supportive Services (IHSS), specialty mental health and substance use disorder services, or regional center services.</p> <p>When you enroll in Molina Medicare Complete Care Plus, you and your care team will work together to develop a care plan to address your health and support needs, reflecting your personal preferences and goals.</p> <p>If you're taking any Medicare Part D drugs that Molina Medicare Complete Care Plus doesn't normally cover, you can get a temporary supply and we'll help you to transition to another drug or get an exception for Molina Medicare Complete Care Plus to cover your drug if medically necessary. For more information, call Member Services at the numbers listed at the bottom of this page.</p>
Can I use the same doctors I use now? (continued on the next page)	Often that's the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with Molina Medicare Complete Care Plus and have a contract with us, you can keep going to them.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (855) 687-7860, TTY: 711, Monday-Friday, 8 a.m. - 8 p.m., local time. The call is free. **For more information**, visit MolinaHealthcare.com/Medicare.

Frequently Asked Questions	Answers
Can I use the same doctors I use now? (continued from previous page)	<ul style="list-style-type: none"> Providers with an agreement with us are “in-network.” Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. You must use the providers in Molina Medicare Complete Care Plus's network. If you use providers or pharmacies that aren't in our network, the plan may not pay for these services or drugs. If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of Molina Medicare Complete Care Plus's plan. If you're currently under treatment with a provider that's out of Molina Medicare Complete Care Plus's network, or have an established relationship with a provider that's out of Molina Medicare Complete Care Plus's network, call Member Services to check about staying connected and ask for continuity of care. <p>To find out if your doctors are in the plan's network, call Member Services at the numbers listed at the bottom of this page or read Molina Medicare Complete Care Plus's <i>Provider and Pharmacy Directory</i> on the plan's website at MolinaHealthcare.com/Medicare.</p> <p>If Molina Medicare Complete Care Plus is new for you, we'll work with you to develop a care plan to address your needs.</p>
What's a Molina Medicare Complete Care Plus care coordinator?	A Molina Medicare Complete Care Plus care coordinator is one main person for you to contact. This person helps to manage all your providers and services and make sure you get what you need.
What are Long-term Services and Supports (LTSS)?	Long-term Services and Supports (LTSS) are help for people who need assistance to do everyday tasks like bathing, toileting, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. In some cases, a county or other agency may administer these services, and your care coordinator or care team will work with that agency.
What's a Multipurpose Senior Services Program (MSSP)?	A MSSP provides on-going care coordination with health care providers beyond what your health plan already provides and can connect you to other needed community services and resources. This program helps you get services that help you live independently in your home.
What happens if I need a service but no one in Molina Medicare Complete Care Plus's network can provide it?	Most services will be provided by our network providers. If you need a service that can't be provided within our network, Molina Medicare Complete Care Plus will pay for the cost of an out-of-network provider.

If you have questions, please call Molina Medicare Complete Care Plus (HMO D-SNP) at (855) 687-7860, TTY: 711, Monday-Friday, 8 a.m. - 8 p.m., local time. The call is free. **For more information,** visit MolinaHealthcare.com/Medicare.
