Frequently Asked Questions	Answers
<b>What's a Senior Care Options (SCO) Plan?</b>	A Senior Care Options (SCO) plan is a health plan that contracts with both Medicare and MassHealth (Medicaid) to provide benefits of both programs to enrollees. It is for people age 65 and older. A SCO plan has a network of doctors, hospitals, pharmacies, providers of long-term services and supports (LTSS), and more. It also has care coordinators to help you manage all your providers, services, and supports. They all work together to provide the care you need.
<b>Will I get the same Medicare and Medicaid benefits in Senior Whole Health SCO and Senior Whole Health SCO NHC that I get now?</b>	<p>You'll get most of your covered Medicare and MassHealth (Medicaid) benefits directly from Senior Whole Health SCO and Senior Whole Health SCO NHC. You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care team's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a state agency like the Department of Mental Health or the Department of Developmental Services.</p> <p>When you enroll in Senior Whole Health SCO and Senior Whole Health SCO NHC, you and your care team will work together to develop Individualized Care Plan (ICP) to address your health and support needs, reflecting your personal preferences and goals.</p> <p>If you're taking any Medicare Part D drugs that Senior Whole Health SCO and Senior Whole Health SCO NHC doesn't normally cover, you can get a temporary supply and we'll help you to transition to another drug or get an exception for Senior Whole Health SCO and Senior Whole Health SCO NHC to cover your drug if medically necessary. For all other services, you can keep using your doctors and getting your current services for 90 days, or until your ICP is complete. For more information, call Member Services at the numbers listed at the bottom of this page.</p>
<b>Can I use the same doctors I use now? (continued on the next page)</b>	This is often the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with Senior Whole Health SCO and Senior Whole Health SCO NHC and have a contract with us, you can keep going to them.
